

TransAmerica COI Changes

At ITM | TwentyFirst, it is our goal to keep our clients informed of industry wide news that may affect how assets are managed now and in the future.

Transamerica Life Insurance Company recently notified producers of upcoming cost of insurance rate increases on certain policies.

The increases are limited to certain UL based products that were issued between 1987 and 1998. The particular products include:

TXBL	TransMax
TULAL	TransUltra 91
TULBL	TransUltra 93
TULCL	TransUltra 95, 96
TMXSL	TransMax Survivor 90, 91
TSLAL	TransSurvivor Life 92
TSLBL	TransSurvivor Life 95, 96

Per the Transamerica Producer Notice:

"Effective with policy anniversary dates of August 1, we will be raising monthly deduction rates on these policies to address our expectations as to the future costs of providing this coverage. The percentage of the increase varies by policy, but we do expect some of the increases to be substantial."

The Transamerica notice may be found here: [Producer Letter](#)
